12 Chair Z. Burdick called the meeting to order at 12:31pm, a roll call was conducted, and a quorum was
13 present to conduct business. There were no adjustments to agenda.
14

15 **Public Comment**

16 No members of the public present, therefore no public comment.
17

18 **Approval of Minutes 8/24/22**

19 *K. Millman motioned to approve 8/24/22 minutes. C. Ainsworth seconded. Motion carried.*
20

21 **Code of Ethics**

22 S. Kio stated that NWFx staff has done a reasonable amount of research for a policy on what level of
23 action to take for board members that do not comply with the Code of Ethics. Staff has not found any
24 specific policy that is used elsewhere for board members. Based upon this, it is staff's recommendation
25 that it would be at the discretion of the Chair on what level of action to take with a board member, or in
26 the case that it is the Chair it would be at the discretion of the Vice Chair.
27

28 K. Millman stated that we should include this on the Code of Ethics that we will have board members
29 sign. The Executive Committee agreed that once this is added it should be sent out to the NWFx board
30 members for their signatures. The committee also agreed that it will be a requirement for this to be
31 signed before a board member can have any access to NWFx documents.
32

33 **Board Attendance**

34 S. Kio reminded the committee that Chasidy keeps attendance records for NWFx Governing Board
35 meetings. He stated that we want to ensure that all communities have sufficient attendance as well as
36 an alternate representative. It is important for us to have our communities represented and informed
37 as well as being able to have quorum at a meeting.
38

39 Z. Burdick suggested we can look at the towns that do not have attendance and reach out to their select
40 boards to let them know their representatives are not attending or that they are missing an alternate.
41 C. Ainsworth suggested that we send the memo via USPS mail. E. Nance volunteered to draft the memo.
42

43 **Document Security**

44 S. Kio stated that we have adopted and gone live with a document security structure for staff. There are
45 four different tiers, and we have the ability to tag any file created as well as email to label them
46 accordingly. Now we have a process to share information with the board, once they each sign our Code
47 of Ethics.
48

49 **Operational Update (Executive Session)**

50 *Z. Burdick motioned to enter Executive Session whereas premature general public knowledge regarding*
51 *the Operational Update would clearly place the public body, or a person involved at a substantial*
52 *disadvantage. C. Ainsworth seconded. Motion carried.*

53

54 No action was taken in Executive Session other than to end Executive Session.

55

56 **Other Business**
